Dear Parents, Students, and Community Members,

It is with great honor and excitement that I greet you as the new principal of Miller Grove Middle School. As you enjoy the fun and sun of the summer, let me take this opportunity to introduce myself. I am Mr. Marcus Kimber, and I look forward to the opportunity as serving as the instructional leader of such a wonderful school. I bring with me seventeen years of middle school experience and dedication to academic excellence. For ten years, I served as a Science teacher, five of those years I was working as a Department Chair at Miller Grove Middle; five years as the Assistant Principal of Discipline at Lithonia Middle School and two years as the Instructional and Discipline Assistant Principal at Chapel Hill Middle School. As I rejoin the Miller Grove Middle School family, I look forward to keeping the “Wolverine Spirit” alive through collaboration, communication and high expectations.

Along with being an instructional leader, I have always invested in education and believe that a person never stops learning. I graduated from Southwest DeKalb High School in Decatur, Georgia, completed a B.S. in Middle Grades Education at the University of West Georgia, an M.S. in Educational Administration at Jacksonville State University, and an Ed.S. in Educational Leadership at Jacksonville State University.

One of the top priorities of my work here at Miller Grove Middle School will be building strong relationships with students, teachers, and families. Working alongside the educators and community members at Miller Grove, I will strive every day to provide the best possible education for each student who attends our school. I will work to promote a positive school culture and safe learning environment each day. My door is always open and I welcome your input. Please feel free to stop in, call or email me to discuss any concerns, suggestions, or ideas. I am looking forward to meeting everyone in the coming weeks!

Sincerely,

Mr. Marcus Kimber
Principal
